## PRINCIPAL'S MESSAGE

It is hard to believe that this school year is almost over. We have a busy month not only wrapping up this year but also preparing for next year.

Class list information will be mailed home in late August. Grade level supplies and other fall related information will be posted on our website. Please check out our website periodically throughout the summer.

Thank you for your support within the school and for making this an extraordinary year for Canfield Avenue School. Take some time to relax and reconnect with your children this summer.

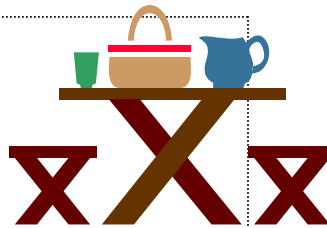

See you in September!

Sincerely,

Gregory A. Hobaugh

Please join us for the end of the year picnic at 10:30 AM on Wednesday, June 16th.

## Ed Speak\* word of the month:

**Teachable moment:** A confluence of experience and instruction that suddenly awakens student interest and give life to what is taught. A teachable moment may occur as the result of a current event, of a school or classroom occurrence, or of something that happened to a student or teacher. Suddenly, a concept that once seemed abstract becomes clear and important.

Congratulations and Good Luck to the class of 2010!
